M. A. SRINIVASACHARI,
Executive Engineer.

SHIMOGA DIVISION.

Notification dated 20th October 1935.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Shimoga Division, up to 2 P.M. on Friday 8th November 1935, for "Repairing the roofing and terrace of Sree Rameswaraswamy Temple at Keladi, Sagar Taluk". An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Shimoga between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a Treasury challan for having deposited Rs. 160 (One hundred and sixty only) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for repairing the roofing and temple of Sree Rameswaraswamy Temple at Keladi, Sagar Taluk" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

13. Work should be according to Departmental specifications.

14. Transfer of works to other parties or subletting of contracts is prohibited.

15. Monthly progress should not be less than Rs. 1,000 and the work should be completed by the end of March 1936.

16. Cement and colas will be supplied Departmentally and the cost with centage recovered.
